Antioch High Wins Laurels at Waukegan

Antioch Defeats Gurnee in Agricultural Exhibits

The Department of Vocational Agriculture of the Antioch Township High School defeated the Gurnee school in an agricultural booth exhibit competition at The Pageant of Progress Exposition at Waukegan this week.

The Antioch booth tells an entire story of the progress of the poultry industry in Lake County as carried on through the extension work of the local high school under the direction of C. L. Kuttel, director of the agricultural department.

Each phase of the industry as it is being developed is neatly illustrated with maps, charts, pictures, models, and actual results. The exhibit has simplicity, neatness and adheres strictly to the one idea which it aims to develop. It is proving a great attraction to the city people as well as the rural folks and thousands view it each day.

The exposition closes Saturday evening. The pullet sale of 16 different breeds of poultry raised by boys and girls of the county will be held at 1:00 o'clock Saturday. Colonel Slocum will handle the sale.

Antioch High in First Place.

Word has just been received that the Antioch High School exhibit has been awarded first place at the Pageant of Progress held in Waukegan. The Gurnee High School took second.

This was an exhibit of the work of the agricultural departments. Mr. Kuttel and his boys deserve much credit for the honor brought to the local high school.

Those who attend the Pageant should be sure to see the Antioch exhibit.

Community Mourns Death of Residents

George Brown

This community was saddened the first of the week to learn of the death of Mr. George Brown who passed away Sunday morning after an illness of several weeks. Mr. Brown went to St. Paul to visit his daughter, Mrs. Wipperf on Sept. 2, and was taken sick on the seventh of September, and from that time on he gradually grew worse. He was so anxious to come home and with the doctor's permission, under the care of a trained nurse he was brought home on Tuesday morning, Sept. 21. When arriving here he was found in so serious a condition that it was necessary to take him to the Victory Memorial hospital in Waukegan where on Sunday morning he passed away being conscious until the end. Mr. Brown was born December 11, 1850, in Somersetshire, England, where he lived until he grew to manhood and married Miss Eliza Ann Westlake, who preceded him in death about twenty years ago. To this union seven children were born, six girls and one boy. Three of the children died in infancy.

Mr. and Mrs. Brown with their family came to America about 56 years ago and settled in the village of Antioch, living here for several years where he worked at the shoe-maker's trade. From here they moved to Avon, living there only a short time and from there they moved to Spring Grove where they lived for about five years, moving back to Antioch where he resided on a farm until six years ago when he came to Antioch and made his home with his daughter, Mrs. Anna Kelly.

He leaves to mourn his loss one son, Fred, of Waukegan, and three daughters, Mrs. Anna Kelly, Antioch, Mrs. Wipperf, St. Paul, Minn., and Mrs. Bert Ray, Waukegan, besides four granddaughters and a foster son, George B. Bartlett, Antioch. The funeral services were held at the Methodist church, Antioch on Wednesday afternoon at two o'clock with Rev. E. L. Stanton and Rev. Dixon officiating. Burial was in the Antioch Hillside cemetery.

Mrs. Sophia Message, who has been a patient sufferer for the past two years passed away at her home on Saturday morning, Sept. 25, after being confined to her bed only about a week.

Sophia B. Hucker was born at Antioch, Ill., July 25th, 1870, and died at her home here Sept. 25th, 1926, at the age of 56 years, and 2 months. She was united in marriage to Henry S. Message on the 16th day of November 1892, and to this union were born five children, one son and three daughters living, and one son who died in infancy.

Mrs. Message was the last of the Hucker family, her parents and one brother having preceded her in death several years ago. She leaves to mourn her loss her husband, three daughters, Mrs. Joe Paulson, and Mrs. Ernest Glenn, of Chicago, and Miss Olive at home, one son, Harry, also of Antioch, besides one sister-in-law, Mrs. Vida Mooney, and family.

The funeral services were held at the Methodist church Tuesday afternoon at two o'clock with Rev. E. L. Stanton and Rev. S. E. Pollock officiating. She was laid to rest in the Antioch Hillside cemetery.

First Frost Kills Growing Crops

Large percent of Crop Lost by Early Freeze

One of the heaviest and most damaging first frosts ever experienced in this locality came last Saturday night and left in its wake numbers of ruined gardens in and around Antioch that had promised bounteous crops, and caused a loss of thousands of dollars to Lake County farmers in damage to corn crops.

According to J. J. Doerschuk, head of the Lake county farm bureau the untimely frost caused havoc in the corn districts which were already waterlogged by the heavy rains of last week, and it is the opinion of the farm adviser that at least 50 per cent of the corn crop has been made unmarketable by the unexpected frost.

The present frigid wave has also resulted in serious damage to the wheat crops of the northwest according to reports from that section.

STANTONS OFF TO CONFERENCE

Rev. and Mrs. E. L. Stanton departed Wednesday for Freeport, Ill., where the 87th annual Rock River conference is being held in the Emory church, Sept. 28, to Oct. 4. Last year the 86th conference was held in Elgin and attracted Methodist leaders from throughout the state and nation. Bishop W. O. Shepard, of Portland, Ore., is presiding over this year's conference at Freeport.

FEATURE PICTURE SUNDAY

OCTOBER 3rd AT CRYSTAL
The picture with the "\$5,000,000 title" is an appropriate slogan for the latest Gotham Production "His Master's Voice," because all of five million dollars or more have been spent in making this phrase familiar to the public of not only the United States but the entire world. Every exhibitor knows the box-office value of a good title and if there ever was a better screen title than "His Master's Voice" it has not yet been discovered. Then also consider that this title is applied to a Dog picture and the value of it is doubled. See it at the Crystal Theatre, Sunday, Oct. 3rd.

The township of Antioch is a prosperous community if one is to judge by the amount of the poor bills turned in by the various townships. Antioch has the lowest bill, the amount being but \$34.00.

Avon is next lowest with a bill amounting to \$60.00. Next comes Libertyville with \$75.00, then Wauconda \$150.00, West Deerfield \$161.00, Lake Villa \$173.00, Newport \$178.00, Benton \$628.00. While Waukegan, Shields and Deerfield total \$7,256.00.

RALPH THOMPSON HONORED AT BRADLEY TECH.

Antioch Boy Elected Baseball Captain, '27

A suitable caption for this sketch might well be written—"Stories of Success About Folks We All Know," for there are few people in Antioch who do not know Ralph Thompson, son of Mrs. Josie Thompson Pacini. His many boyhood friends here will be pleased to learn of his success in university athletics.

Ralph's recent selection as captain for the 1927 baseball team of Bradley Tech., at Peoria, Ill., called forth the following comment from the University publication, "The Bradley Tech.":

Ralph Thompson, of Chicago, has been elected to captain of the '27 baseball team. Thompson, who is also center on the varsity football team, came to Bradley in the spring of '24 from Bowen High School, Chicago. Two months after his registration at the "hill-top", the big freshman had made his start in Tech athletics by shutting out Charleston Normal 8-0 to 0. He closed the '24 season with a remarkable record of seven wins and two losses.

In his sophomore slump, winning three and losing three, but the games were well pitched. He allowed but four hits to Knox, three to Wesleyan, and six to DePaul.

Last spring, Tommy came forward with his finest bit of work. It was a six to four victory over Notre Dame University. Thompson was never better; his side arm-fast ball was hit safely but seven times, and eight of the Irish were retired on strikes. Thompson was given great support by his mates.

Two victories followed over Kalamazoo Normal and Illinois Wesleyan, and then Robertson's dandy right hander turned in another jewel of a game. Although he lost to Dundon of St. Viator 3 to 1, due to two errors, his pitching was really a winning performance. Bradley got six hits off Dundon and St. Viator six off Thompson; Dundon fanned twelve and Thompson fanned ten. It was one of the best pitched games ever staged on the hill-top. Thompson evened the count on St. Viator by beating them 10 to 6 later in the season.

Illinois Wesleyan got but two hits off Thompson's delivery in his next game, and Thompson's record for the season read seven won, and one lost. Among his victims were: St. Viator, Notre Dame, and Kalamazoo Normal, three of the strongest college teams in the country.

Ralph has been elected baseball captain for the reasons stated above. We wish to congratulate Ralph and wish him and his team success.

Antioch High School Wins Opening Game

Antioch Opens Football Season by a 13 to 0 Win from Woodstock

The locals journeyed to Woodstock with the determination to wipe out the defeat they suffered Woodstock two years ago and succeeded in doing it by playing a hard game.

The Antioch team outweighed the Woodstock boys by several pounds and due to this fact they were able to march down the field for their first touchdown early in the second quarter.

Fullback Simpson was successful in his second attempt to take it across and the score stood 6 to 0 in favor of Antioch at the end of the half.

Woodstock came back strong in the second half and outplayed the Antioch boys. They worked short forward passes time after time and it looked as if they would carry the ball across for a touchdown until Bill Schwenk intercepted one of these passes and ran 70 yards for Antioch second touchdown. This ended the scoring as the boys were content with a defensive game from then on.

This Saturday McHenry high school comes here for two games and the boys are going to be out there with that same determination they had at Woodstock to be on hand to see two good games.

Wilmot Lutheran Church To Hold Celebration

Entered at the Postoffice
Ill., as second class
All Home

Next Sunday, October third,
will be a gala-day in the history of
the Lutheran Church, of Wilmot.

Sixty years have elapsed since a
Lutheran congregation was organized
at Wilmot by the Rev. J. Stoerkel
who was at that time pastor of
St. John's Lutheran Church at
Slades Corners. In the fall of 1866
he organized the German Evangelical
Lutheran Church of Wilmot,
Wisconsin, affiliated with the Lutheran
Synod of Wisconsin and other
States with the following members:
Herman Wald, Anton Scherf, Wm.
Schmidt, Karl Gauger, John Hassel-
man, Andrew Welnbrauch, Joachim
Bernhoeft, Fred Pagel, Bernard
Hiese and John Koehler. All of
these have gone to their eternal re-
ward, the last one, John Hasselman,
having passed away on March 5th,
1917.

The younger congregation grew
and prospered nicely until in the
year 1880 a pastor, whose affiliation
with the Lutheran Synod of Wisconsin
had been severed, succeeded in
disrupting its membership. From
that time until 1909 there were two
Lutheran churches at Wilmot, the
German Lutheran Church remaining
a member of the Wisconsin Synod,
and the new St. Peter's Congrega-
tion being served by the Ohio Synod.
Both congregations were taken care
of by pastors from Burlington. It
was, indeed, a sad strife which last-
ed almost thirty years.

On April 23, 1905 the German
Evangelical Lutheran Church resolved
to call a resident pastor and the
call was tendered to S. Z. Jodele,
then a candidate of theology at the
Lutheran Theological Seminary at
Wauwatosa, Wisconsin. He accept-
ed the call and on August 20, 1905
was installed as pastor of the con-
gregation by the Rev. A. Moussa, of
Burlington. Under his pastorate a
union was brought about between
the two Lutheran Congregations.

Both the old congregations dis-
solved as separate organizations and
on January tenth 1909 organized the
new Friedens (Peace) Evangelical
Lutheran Church of Wilmot, Wiscon-
sin. Rev. S. A. Jodele becoming pas-
tor of the new organization.

Since this amalgamation the con-
gregation has grown and prospered,
now numbering about one hundred
families and close to three hundred
communicants. A large, very con-
venient and modern parsonage was
erected in the fall of 1909. In 1915,
the year of the Golden Jubilee of the
congregation, extensive improve-
ments were made in the church,
chief of which were the building of
a new sanctuary and the equipment
of the entire structure with Art
Glass Windows. And now the con-
gregation is about to celebrate its
sixtieth anniversary. Again exten-
sive preparations have been made for
this celebration. Approximately
\$300.00 have been spent on improve-
ments in the parsonage and the
church. The church has been beau-
tifully decorated by the firm of Carl
Reimann, of Milwaukee, nationally
known artist in Stained Glass Work
and Mural Decorating.

The German Evangelical Lutheran
Church now bids all her friends
to rejoice with her. Great
has been the grace of God bestowed
upon her during the past thirty
years. She will laud and magnify
the name of the Lord. Out of the
abundance of her heart her mouth
speaketh. The words of the Psalmist
(55, 1-2) animate her heart and
soul: "Come, let us sing unto the
Lord; let us make a joyful noise to
the rock of salvation. Let us come
before His presence with thanksgiv-
ing, and make a joyful noise unto
Him with psalms." Three services
will be held next Sunday in comem-
oration of the grace and mercy of
the Lord with which he has blessed
his Lutheran Zion at Wilmot, one
in the German and two in the Eng-
lish language.

The following pastors will occupy
the pulpit; at the German service
at ten thirty a. m., the Rev. A. C.
Hendler, of Milwaukee; at the Eng-
lish service at two thirty p. m., the
Rev. Theodore Vilkert, of Racine;
at the English service at seven-thirty
p. m., the Rev. H. K. Moussa, of
Fon du lac. The Concordia Quartet-
te, of Racine will sing at the morn-
ing and afternoon services. Dinner
and supper will be served by the
Ladies of the congregation at the
Church Hall.

"Golf Widower" Makes Pity Plea

Brooklyn, N. Y.—Nova Adol-
phus Brown, "golf widower," re-
ported a piteous plea in Supreme
court recently.

According to Brown, his wife
is so abstracted by golf that she
will not sew buttons on his
shirt, will not take care of their
five-year-old son and pays the
fees and other expenses of men
who belong to the exclusive
Wheatly Hills club.

The husband's complaint came
in answer to Mrs. Nephie Bun-

SIX ARE KILLED BY GIANT BATS

Mexican State Terrorized by
Monster Mammals.

Mexico City.—Blood-sucking bats
measuring 20 inches from tip to tip
of extended wings are reported to be
terrorizing inhabitants of the south-
ern Mexican state of Oaxaca, as the
Egyptians were terrorized by the bi-
bled plagues.

Martiniano Cuso, an Oaxaca farmer,
who has just arrived here to procure
expert medical treatment for a young
son, reports that so many children and
animals have died in his native state
recently from loss of blood to bats
there is a movement on foot to ap-
point a commission to come to the
capital and request the federal govern-
ment's aid in the matter.

Six children, ranging in age from
six months to four years, died in one
night from the silent visitations of
blood-sucking bats, according to Senor
Cuso, and this in one small town.

The bats are said to enter bedrooms
noiselessly, settle down upon their
sleeping victims with less disturbance
than a falling leaf and suck blood so
painlessly that even light sleepers are
not awakened, except sometimes by a
subconscious warning that something
is wrong.

Lightning Burns Off Nebraska Man's Beard

Alliance, Neb.—Struck on the head
by lightning, Joe W. Kennedy, forty-
five, farmer, still lives to tell the tale,
and the attending physician says he
will recover.

Kennedy was riding a gang plow
pulled by four horses. He saw the
storm approaching, but not regarding
it as particularly threatening, he kept
on with his work. He says he saw
no flash and heard no thunder, but
the next thing he knew was when he
found a doctor bending over him in
the hospital here.

The lightning struck Kennedy above
the right ear, burned the crown of his
hat, scorched the hair from his head
and plowed its way across his cheek,
jumping from there to his chest,
which was seared, and onto his legs,
where deep burns were left. From
there it entered the iron seat of the
plow on which he was riding, melting
the metal into a mass and then passed
along a steel cable to which his lead
team of horses was attached to the
plow. One of the four was instantly
killed.

Kennedy was knocked unconscious
and was found a half-hour later by
his wife and daughter. The lightning
put out of commission most of the
telephones in the neighborhood.

The course of the lightning could be
traced from where it struck Ken-
nedy to where it leaped from his
body. A full set of whiskers that
adorned his face went up in smoke.

Reclines Nude on Ice and Fans to Keep Cool

Atlanta, Ga.—Albert Allen, negro,
who, despite the lack of clothing and
the aid of a block of ice, still suffered
from the heat, was given 30 days in
which to cool off.

Allen, it was revealed in police
court, owed his excessive heat to three
drinks of corn liquor. After taking
them, he told Judge A. W. Callaway,
he went home and went to bed, but
couldn't sleep.

He walked around in an attempt to
get cool, and then took off all his cloth-
ing and went back to bed. But the
bed was too hot. He got up and de-
cided to walk around a bit, forgetting
his lack of clothing.

A policeman found Allen peacefully
reclining on a 100-pound block of ice
in front of a drug store. And Allen,
clothesless as he was on his icy bed,
was fantastically fanning himself with
an enormous piece of cardboard.

At court, Allen, still sans clothing,
appeared before the judge wrapped in
a jail blanket—and still perspiring.

The judge's sentence was immedi-
ate—16 or 30 days.

And Allen, having no clothes, natu-
rally had no pockets, and with no
pockets carried no money.

Scene of Desolation in Streets of Miami

This photograph is a street in Miami after the hurricane, typical of scenes all over that and other cities in the stricken area. Wrecked buildings, prostrated trees and wires, and pavements feet deep in water were everywhere.

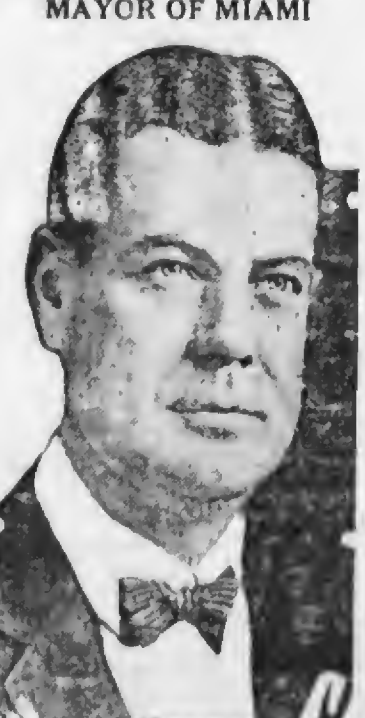

Famous Roman Pools and Casino Were Wrecked

Miami Beach's famous Roman swim-
ming pools and Casino after the ter-
rible hurricane had practically de-
stroyed them. At the right is the huge
Roney-Phum hotel.

Ralph Earle, a motion picture pho-
tographer of Miami, Fla., was the first
eyewitness of the hurricane to reach
Washington, arriving at Bolling field
by plane on his way to New York
with an undeveloped film of the dis-
aster. Earle made his home in the
eastern part of Miami where the hur-
ricane first struck and did the most
damage. He was injured about the
head and feet, and out of his belong-
ings he managed to save only the
clothes on his back and his camera
and film. This is the second serious
disaster Earle has witnessed, he hav-
ing been in Japan when the earth-
quake took place a few years ago.

MAYOR OF MIAMI

Mayor E. C. Romfo of Miami was in
New York when the hurricane hit
Florida, and started at once for his
stricken city.

"The Strain is the same Anyway"—says Mrs. Randall

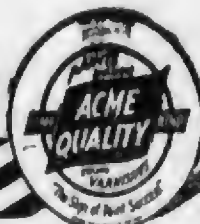

"No matter how badly the house and garage need to be painted, the strain is the same on our family budget and the cost of putting it on is more than the paint itself. . . . So," says Mrs. Randall, "we won't use anything but the best paint. And that is Acme Quality."

With a 40-year reputation for weather resistance and long wear, it's the paint preferred by painters, too. Because it makes their efforts more fruitful and their customers satisfied.

ST. IGNATIUS' CHURCH NOTES

Episcopal
Church school 9:45
Morning Prayer 10:30
Next Sunday will be the Eighteenth after Trinity. Church school lessons will begin in earnest. Let every member of the Church School try to be there and on time!
Mr. Dixon's sermon topic next Sunday will be "Working and Working Right" the text "Lord what wilt thou have me do" Acts 9:6.

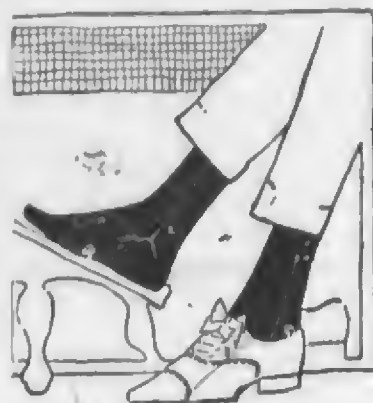

Last Sunday we failed to sing 'From Greenland's Icy Mountains' as we should have. Those present will appreciate the work of the Christian Missionaries in Greenland, Alaska, and Newfoundland and other kindred icy places. Those who were not present to experience this first hand Missionary "trial" have lost their opportunity for the furnace has been repaired and God willing, next Sunday if necessary we will roast.

The Rev. Charles P. Anderson, Bishop of Chicago, will make his annual pastoral visit to St. Ignatius' Church on the 21st, of November, the Sunday next before Advent. It is hoped that as many as are interested in The Holy and Apostolic Rite of Confirmation will speak to Mr. Dixon about it and talk it over. Every one by virtue of their Baptism is made a member of the Church "Catholic" i. e. Universal. When of age he or she "confirms" it in the presence of a Bishop or head leader in the Church. Simple when you understand it!

Would that there were many who would repeat "I do" to the Bishop's question, "Do you here, in the presence of God, and of this congregation, renew the solemn promise and vow that ye made, or was made in your name, at your Baptism, ratifying and confirming the same, and acknowledging yourselves to believe and do all those things which ye then undertook, or that your sponsors undertook for you?"

The Ladies' Guild will meet next week Wednesday, place to be announced later.

It is hoped that several of the congregation may attend the Banquet at the Grand Ball Room of the Hotel La Salle next Monday night to welcome the Bishop of London who is to be the guest of the Diocese for some time.

BROADCAST WARNING

Edward B. Husing, of station WJZ, who broadcast the warnings of the Florida hurricane through an east coast chain of radio stations. Undoubtedly many people who heeded the warning escaped injury or possible death by postponing intended trips out to sea or by leaving the zone of danger.

Nero Last of Family Line
Nero was the last of the Imperial family of Caesars, but thereafter Caesar became a title of dignity. From the name were derived the German "Kaiser" and Russian "tsar."

Memory
We consider ourselves as defective in memory either because we remember less than we desire, or less than we suppose others to remember.—Johnson.

Patience
It is the virtue of donkeys, saints and cats, consisting (according to patience) mostly of hope. And hope, incidentally, may be defined as a belief in a future event. In a German book I read lately: "To lighten your burden, add patience to it."—Frank Thurston, in Los Angeles Times.

FEW WEAR WELL FITTING SHOES

The following clipping from the Boot and Shoe Recorder, issue of September 15th was handed in by J. Wilson McGee, Mgr. of the Chicago Footwear Co.

Milwaukee—Out of 1,000 men and women whose feet were examined for a survey at the Wisconsin State Fair held in Milwaukee during the week of Aug. 30 it was found that 31 per cent of the women and 14 per cent of the men were wearing shoes that did not fit their feet. The percentage of those who were wearing really well fitting shoes was 40 per cent for the men and only 14 per cent for the women.

Boys and girls examined during the survey showed a higher average of well fitted shoes. Forty-five per cent of the boys were wearing shoes which were fitted well, and 39.9 per cent of the girls.

The report based on the results of the survey and other investigation stated that shoes for very small children should be absolutely flat on the sole. At age of five the child's foot begins to take shape and to arch and at that time shoes must be selected to fit the foot. For women, broad toes, a straight inside line from the ball of the foot to the tip of the toe, and heels of average height were recommended.

Salvation Army Visits City Institutions

The Lake County Advisory Board of the Salvation Army has been re-elected with representatives in each township, and on Tuesday, Sept. 28th, the officers of the board made a tour of the Army institutions in Chicago.

Their first stop was at the Young Women's Boarding Home at 51 Delaware Place where the Army care for 145 working girls. This home for working girls is a home in every sense of the word where girls can secure room and board for \$7.50 per week. There is always a waiting list for the young women are happy and comfortable at small cost. Every home comfort is provided.

The next institution visited was the Home and Hospital at 5040 N. Crawford Avenue, where the Army cares for more than 270 unmarried mothers each year. There were 48 girls in the home, and the average age was 17 years. Here girls are given the best of food, and are permitted to remain until they can care for themselves and their child. These girls come from the territory adjacent to Chicago, four young women from Lake County have known its sheltering protection this year, and there are two there at the present time.

Following this they visited the Home of the "Down-and-Out" on Congress Street, here men who are too slow for the commercial world are put at tasks of repairing the furniture and clothing given the Army. Here is truly the home for the salvaging of human souls while they work at salvaging clothing and furniture for the poor. The average age of the men in this institution was 65 years, but they range from 58 years down to the merest youth trying to get a footing in a large city after leaving his home on the farm.

The last institution visited was the Day Nursery and Slum Post at 31st and Normal where the children of mothers employed can leave their children in the kindly care of Salvation Army ladies, who feed and bathe them, and arrange for their amusement. Here also we find a perfectly equipped gymnasium where large classes of the boys and girls of this congested districts are organized into basketball teams, and otherwise given physical training of the sort that re-directs the energy that might be spending in gang destruction and waywardness.

The conference year closed with some items of finance not quite as good as might have been. But there was an increase of \$200 paid for pastor's salary, and quite a bit more for Missions. Both increases being about equal in proportion and with much less effort on the part of the board of stewards.

The pastor's report of his labors included the following items: Telephone calls 1116; interviews 1640; pastoral letters 1670 and pastoral calls 940. Sermons preached 80, 10 days camp director of the County Boy Scout Camp. The successes of the years work included the most successful Daily Vacation Church School of the church's history, and the achievement of getting the Board of Education of the Methodist church to put on the Triopolitan School of Religious Education at Lake Villa, Grayslake, and Antioch last winter; also the starting of the parsonage rebuilding project for which Mrs. Ferris has done so much work together with the pastor.

Beats Storm by Using Kite for Sea Fishing
Pacific Beach, Wash.—Joseph Phelan, deep-sea fisherman, recently devised a method to defeat the heavy surf which often prevents him launching his dory at high tide. He rigged up a large box kite, to which he attached a dozen lines and baited hooks.

Flying the kite in the strong wind accompanying the turn of the tide, it carries out the lines a quarter-mile or more. An easily controlled trip or trigger releases the fishing tackle into the deep water, where large cod, flounders and sea-running salmon are promptly hooked. By the time Phelan has the kite hauled back to the beach his lines are heavy with fish.
